REPLY TO OFFICE ACTION

Sir:

In reply to the final Office Action dated September 30, 1999, applicants respectfully request entry of the following amendment in the above-identified patent application:

In the Claims

Please amend claims 1 and 36 as follows:

1. (Amended) An Internet television program guide system for providing television program listings with embedded real-time data to a user at a multimedia system over an Internet communications link, comprising:

a computer system for providing television program listings with embedded real-time data, said real-time data corresponding to events being televised live;
and
